CALL FOR YOUNG EXPERTS - RESEARCHERS

The Forum for Ethnic Relations (FER), in cooperation with the Faculty of Business Economics and Entrepreneurship and ERMA Sarajevo-Forli program, with the support of the Embassy of the Republic of Bulgaria in Belgrade, is conducting a

Training of Young Experts - Researchers

in the field of

INTERETHNIC, INTERCULTURAL AND INTERCONFESSIONAL DIALOGUE.

Fourteen (14) young experts – researchers will be engaged in the Training, which will be held in Belgrade and Aranđelovac from 11 – 15 April 2018.

Training of Young Researchers, will be organized into four clusters:

- Research methodology- introduction to research methods for: document analysis; media content analysis; field work; interviews and focus groups as research methods
- Legal and institutional framework governing the minority policy and development of inter-ethnic cooperation
- Integrative policies and social inclusion
- Case studies- Ukraine, Cyprus; Middle East, former Yugoslavia, Serbia and Kosovo

Engagement requirements for young experts

- 25 to 30 years of age;
- Higher education, i.e. postgraduate studies, with a master thesis, or in possession of doctoral degree in sociology, cultural anthropology, law, political and other sciences, relevant to the Training;
- Understanding of the English language and ability for usage;
- Writing skills.

Certificate

Selected young experts shall receive a certificate for successfully performed activities, which meets the ERMA Standards and European Standard of Student Mobility.
